## Unit Three Assessment

Tuesday and Wednesday,  
January 27th & 28th

Please study!

Mega Math Games  
Unit Three

~The Number Games:

Up, Up and Array:

Level J, Level L, Level M, Level N, Level P, and Level Q

## Unit 3 Division

The Study Guide and practice problems went home today in a packet. The study guide sheet is green and the practice problems are on a golden color. Practice, Practice, Practice. We spent the 50 minutes of class time working on them. The rest need to be completed over the long weekend. We will go over them on Monday.

~ **PLEASE, PLEASE, PLEASE practice basic facts with your child.** The more confident they are with the multiplication facts, the easier time they have with division problems.

The next Conga Line is scheduled for February 19th. Today flashcards for the 6, 7, 8 and 9's went home with those students still working on their basic facts. Included is also test sheets. These are to be completed in 5 mins. Practice, Practice, Practice!

~ **PLEASE, PLEASE, PLEASE do not use calculators for homework.** It does not help your child. They do not receive credit for homework. NO WORK, NO CREDIT. They also can not successfully complete Quick Quizzes and the Assessment.

~~**Please be aware** of the nights your child has homework (posted below). It is important to practice that new skill.
