--Please be aware of the nights your child has homework (posted below). It is important to practice that new skill.

--Please practice basic multiplication facts with flashcards nightly. They are so important when solving larger multiplication problems.

This week.....

We were working on the shortcut method (they way we did it in school) some of the children are struggling for two reasons.

1. Don't know basic facts.
2. Neatness in writing the partial products and lining up digits to solve the problem. Use another piece of paper for more room or the back of the paper. Just remember to staple the extra sheet on.

This link is to You Tube video to watch at home of the different ways to solve a multiplication problem if you are interested. It is called Paxson Math Expressions "Multiplication Strategies"

<https://www.youtube.com/watch?v=gis-lZwWn80>

I will also put the link on the website so you can click and go right there.

Coming up next week.....

Monday 11/24	2.17 Use the Shortcut Method	Homework 2.17
Tuesday 11/25	2.18 Practice Multiplying	Homework 2.18
Wednesday 11/26	No School	NO Homework
Thursday 11/27	Happy Thanksgiving	NO Homework
Friday 11/28	No School	NO Homework

Unit Two
Assessment

December 4th
and 5th

Please study
and be ready!

Mega Math Games
Unit Two

~Country Count-
down: Counting Crit-
ters: Level W

~The Numbers
Games: Up, Up and
Array: Level C,
Level J, Level K

~The Numbers
Games: Tiny's Think
Tank: Level K, Level
F, Level G

~Numberopolis: Car-
nival Stories: Level
S
