STUDY! STUDY! STUDY! STUDY! STUDY! STUDY!

We started the Unit 2 Assessment today. It will take us another day to complete. Ask your child how they thought they are doing.

Practice those things they thought they were having trouble with. The review that is posted on my website is a GREAT example of how the problems look. On pages 2, 3, and 4, all they have done is change the numbers on the assessment.

Also keep practicing those basic facts.....it is so important. They use them in Unit 2 and Unit 3 besides participation in the Conga Line. January 14th is the first Conga Line.

~~Please be aware of the nights your child has homework (posted below). It is important to practice that new skill.

Coming up next week.....
