Unit 7 Review

Equivalent Fractions can be made by multiplying the numerator and denominator by the same number.

Simplifying Fractions can be made by dividing the numerator and denominator by the same number.

Putting fractions on a number line. Use a tape measure or ruler to practice this.

Constructing a line plot. Refer to lesson 7.7

Compare decimals steps:

1. Whole number
2. Tenths
3. Hundredths

They can be greater than, less than or equal.

Thank you for all your support at home and if you ever have a question or concern to email me at anytime!!
